Subject: Fw: Dimock TDD Expiring Soon

Hi Karen,

Would you extend the POP for Dimock START to March 31, 2013? I am making a presentation at a Region 5 training session for OSCs in March and there is a chance I might need some help from START on that. No hours or money needed. Should be minimal.

Thanks.

Rich

Subject: Dimock TDD Expiring Soon

Hi Rich,

Just wanted to let you know the TDD for Dimock is set to expire on 12/31/2012. I don't believe there are any tasks which are outstanding, but if there is anything you need me to do for the project, please let me know.

Thanks,

Suddha Graves
